

REMARKS

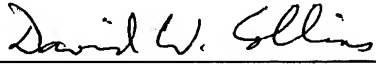

Claims 14-20 remain in the present application, which is a divisional application of Serial No. 10/187,720, filed July 1, 2002, now U.S. Patent 6,701,035, issued March 2, 2004. Claim 14 is amended by replacing "destroyed" with --changed--. The basis for this change is found in the specification on pages 15-16, paragraphs 0057, 0058, and 0060. That the extended conjugation is --changed-- finds further support on page 14, paragraph 0054. This amendment is identical to the amendment made to Claim 1 during prosecution of the parent application.

In view of the fact that the amendment to Claim 14 is identical to the amendment to Claim 1 of the issued parent and in view of the fact that no additional search by the Examiner is required and no new matter is being introduced, entry of this Amendment under 37 CFR 1.312 is considered appropriate.

If the Examiner has any questions, he is invited to contact the undersigned at the below-listed telephone number. HOWEVER, ALL WRITTEN COMMUNICATIONS SHOULD CONTINUE TO BE DIRECTED TO: IP ADMINISTRATION, LEGAL DEPARTMENT, M/S 35, HEWLETT-PACKARD COMPANY, P.O. BOX 272400, FORT COLLINS, CO 80527-2400.

Respectfully submitted,

October 1, 2004

David W. Collins
